Fun with friends

by MiaQc

Summary

A simple story with Hello Kitty. She meets up with friends at the park.

- A translation of Du plaisir avec les amis by MiaQc

Hello Kitty wakes up one beautiful morning. She gets dressed, puts on her red ribbon and leaves her house to meet Kuromi and My Melody at the park.

At the park, she looks up at the sky because Cinnamoroll is flying very high. He tries to follow the birds which is amusing.

Hello Kitty finds Kuromi and My Melody having fun on the slide. Pompompurin, standing further away, has his nose pressed to the ground, as if he is looking for something.

“What are you looking for?” Hello Kitty asks curiously.

“A new shoe for my collection.”

“Good luck!” she says before going to find Kuromi and My Melody.

The two rabbits are happy to see her. They spend the day playing different games: hide and seek, tag, riddles, etc. Then Hello Kitty goes home.
